

5th Grade Distance Learning Plan

Dear Parent/Guardian,

In our ongoing response to the unprecedented conditions surrounding COVID-19 in our schools and community, we have moved to using Distance Learning to support our students.

As a result, the following steps are being taken:

- Attendance is optional for students August 25-27, 2021.
- Distance Learning will take place during regular school hours through Google Classroom from August 30-September 10, 2021.
- No classes will be held from September 3-6, 2021 for the Labor Day weekend.
- Updates on a return to in-person learning will be based on data collected by schools and provided no later than September 10, 2021.

The following schedule is to be followed by your student. They are to report to the correct Google Meet for each class on their schedule. The link is at the top of their Google Classroom.
